Tuesday 23rd April - Normal Opening Times
If you have an urgent Medical need please ring 999
For advice , please ring 111

Repeat Prescriptions

Please remember to allow 48hours notice if needing a repeat prescription - this does not include weekends and Bank Holidays. You can now also order your repeat prescriptions on-line through our website at www.raleighsurgery.co.uk

The Friends of the Surgery Group have been extremely busy this year and the fundraising they have done, through hosting coffee mornings and raffles and from your kind donation of books has allowed the surgery to purchase a new couch - which has been named 'Candy' by the nurses- she lies in the Healthcare Assistant room and is extremely bright! We have also purchased a new light for close up examinations which was very much needed.

The Friends of the Surgery will be holding an Easter raffle and would very much like your support - tickets can be purchased at reception.

If you are interested in joining the group or just supporting them please pop in to one of the coffee mornings hosted on the second Monday of each month between 10:30am and Midday - or you could contact Louise Ford - Practice Manager. With so many changes going on in the NHS it is important that patients get the care and services they need. The aim of a patient group would be to work alongside the Practice Manager, and the GPs and to feedback on the services provided by the practice team as well as have input into new services.

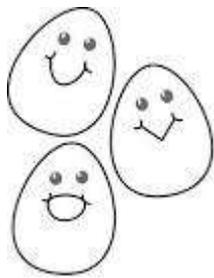

The existing group have formed a very strong relationship and work exceeding well together.

On another note we were extremely sad to hear of the death of Raymond McHale he was an extremely active member of the patient group and helped the wider community in many ways by just doing simple errands of kindness. We send our condolences to his family and friends .

Other surgery news

It is with great sadness that we must announce the departure of Dr Devaraj from the surgery. After 12 years. She will be missed by staff and patients alike and we wish her well in her new ventures.

If you have recently moved or changed your name or contact details please could you let reception know . We would also like your mobile number and email address to use as alternative methods of contact. Please sign up at reception for online services so that you can order your prescriptions online.

Raleigh Surgery wishes you a happy and healthy Easter Weekend.
